QUALITY MANAGEMENT POLICY

We, at **Green Energy & Environmental Services Company** commit towards *“Provision of Consultancy & Training Services on all aspects of Environment, Health, Safety, Energy & Sustainability”*.

To help deliver on our mission, we have developed and deployed a comprehensive yet pragmatic Quality Management System, which subscribes to all applicable legal and regulatory standards, and complies with the requirements of ISO 9001:2015, thereby ensuring that we:

- Enhance customer satisfaction by delivering high quality service in a timely, accurate & reliable manner and to fulfil the commitments made.
- Ensure that GEESC experts' experience and understanding of Qatar's HSE legal framework and site specific requirements plays an integral role in the completion of the Project.
- Follow all applicable National International Regulations & Standards and implement best available techniques in the field, to deliver the Services.
- Establish SMART (specific, measurable, achievable, realistic and time bound) objectives.
- Ensure all interested parties are aware of our policy & communicated, understood and applied within the organization.
- Ensure that Quality policy is available to relevant interested parties, as appropriate.
- Are committed to the continual improvement of our Quality Management System, and involve our employees, customers, suppliers and all interested parties in activities to help achieve this.
- Allocate necessary resources and provide the required training to all employees.

Meeting these high standards is the responsibility of the entire Green Energy & Environmental Services Company team. We have a shared commitment to the effective operation of the Quality Management System, and to the achievement of this Quality Policy and the Objectives derived from it.
